Waiting

By Princess Ruto

Thatched roof

Bursting in flame

As nightmares run to

The fleeing crowd

Blood flows

Bones snap

The minions of evil slaughter

The innocent ones

War is declared

Light against Dark

Hylia against Moblin

Gerudo against Iron Knuckle

Hyrule unites

To resist the evil

That has come

A young man

Takes up his bow

The arrows sharp and new

With bright feathers on the end

He walks away to fight the evil

A mother waits alone

Weeping

Waiting for her son

Waiting for him to come walking back

An older man

Sharpens a sword

Kisses a wife

Embraces a child

He walks away to destroy the evil

A child waits alone

Weeping

Waiting for her father

Waiting for him to come walking back

A young boy

Polishes the stones

Plays his flute

Takes up the blade

He walks away to stop the evil

A Princess waits alone

Weeping

Waiting for the Hero

Waiting for him to come walking back

Arrows fly

The son fires them

The monster fires them

One strikes

Son falls

Evil continues

The mother's wait is over

The son lays lifeless in her arms

The clang of metal on metal

Rings

As the father swings his sword

The monster swings his sword

One plunges

Father falls

Evil continues

The child's wait is over

The Father lays lifeless in her arms

Blows fire back and forth

As the hero swings his blade

The monster swings his blade

One slices

Monster falls

Evil ends

The Princesses wait is over

The Hero takes her in his arms

End
file.
